Each month the North District Roundtable helps you with a program for Cub Scout Leaders that includes **games, ceremonies, skits, songs, crafts and skills.**

The Roundtable staff let's you know of the latest information about district and council events.

For the final half hour each month you'll be going into breakout sessions designed for your specific position (Den Leader, Webelos Leader, Tiger Leader, Committee members and Cubmaster) which will be theme and topic related to provide specific ideas and answers. Whether you are a new leader or an experienced Scouter, you will enjoy the fun and friendly atmosphere for the exchange of information and ideas.

**Come Join in the Fun!!!**
