

NORTH DISTRICT EAGLE PROJECT APPROVALS

***Eagle Scout Leadership Service Project Workbooks* may be submitted to the following locations for review:**

- ✓ Home of Reno Morris — 2534 Sir Percival Ln., Lewisville, TX 75056-5703; 972-899-0226
- ✓ Home of Dennis O'Hara — 4424 Sugar Mill Rd., Dallas, TX 75244-6737; 972-385-3819

In addition to the locations above, some or all of these committee members attend the North District Committee meeting on the first Tuesday of each month and Boy Scout Leader Roundtable on the second Thursday of each month. Workbooks may be submitted at both of these meetings.

PLEASE REMEMBER THE FOLLOWING:

- We do not approve projects "on the spot." The North District Advancement Committee meets twice a month for the purpose of reviewing *Eagle Scout Leadership Service Project* proposals. Turnaround times may exceed 2 weeks depending on when the workbook is submitted for approval.
- All project workbooks submitted for district approval will be returned through the unit's adult leadership.

PROJECT SUBMISSIONS THAT DO NOT MEET THE FOLLOWING REQUIREMENTS WILL BE RETURNED WITHOUT FURTHER CONSIDERATION:

- Project submissions must use revision 512-927, 2009 Printing or later of the *Eagle Scout Leadership Service Project Workbook*. The current version of the workbook is available on the North District's website.
- The first page of your workbook must be completely filled out with names, full addresses (including city, state, & zip-code), phone numbers, etc.
- The first three sections of the workbook (project description, project benefits, and project plan) must be complete and legible.
- The first 3 required signatures must already be present on the approval signatures page.
- The project plan must be sufficiently documented such that another Scout of similar ability could carry out the project without guidance from the Eagle candidate.

Contact: Reno Morris, North District Advancement Chairman, at
