Advancement Day Registration Requirements

The North District Spring Advancement Day is fast approaching. The event is being held on Saturday, **Nov 20, 2010**. The enclosed information should help your troop finish their plans for this event.

The location for this event is **COVENANT CHURCH**, 2660 E. Trinity Mills Rd., Carrollton, TX. The church is on Trinity Mills just West of Marsh Lane. Parking is on the North side of Covenant Church. There will be NO parking on the South side of the church. Entrance to registration is the South entrance to the school. (See Map)

The deadline for Registration & Payment is Friday, November 5th, 2010. Class signup as well as payment must be turned in at Council. Registration without payment will not be considered complete and Scouts will not be placed in classes. Due to the limited class availability, we are unable to offer merit badge instruction to Troops outside of North District.

1. The cost per Scout is \$9.00. There is no "Day of" registration. **Scouts must be in Class A uniform to attend this event.**
2. **ADULT Requirement:** Each troop must have 2 adult leaders on site at all times in case of problems. **Additionally, each troop must have 1 adult for every 12 scouts registered to serve as Room Monitors / transportation help or to provide other help.** Room monitors'/helpers' names, phone and email address are turned in when the troop registers. Registration is not considered complete without the names of the adults/leaders attending. For example if you have 18 scouts, you must have 2 room monitors.
3. Room monitor will be required to be in the classroom 9:00AM to 3:30PM. All room monitors must check in by 8:15AM for orientation.
4. **CHECK IN:** **One adult must check in prior to the event to receive their unit's roster and room assignments. Each merit badge counselor will have a roster and only those Scouts on the roster will receive credit for the merit badge.**
5. Classes will start promptly at 9:00 A.M. on Saturday and continue until 3:30 p.m. Each instructor will give a 30 minute lunch break at their convenience. Check-in by troop will begin at 8:00 a.m. There is no "Day of" registration. There will be a mandatory assembly at 8:30 p.m. to kick off the day.
6. Parking will be in the **North Parking lots only.** Opening Ceremony will be in the South Parking Lot. There will be NO parking in the South Parking lot.

7. It is important to have your Scouts prepared for class by going over all the prerequisites with them. Most badges will have requirements to complete after the event. It is important that someone from each unit follow up with the Scouts to complete merit badges not fully completed during advancement day. This will ensure that the Scout gets the most benefit from the time he spends.
8. Graded worksheets and final attendance rosters will be available to units at the December Roundtable on Thursday, December 9th.
9. Each Scout is required to have a current merit badge book for the merit badge he is taking, must have pen or pencil and clip board. Most rooms will NOT have tables or desks.
10. Each scout is required to have pen and paper and Clipboard for each class. Most rooms will NOT have tables or desks.
Most Merit Badge counselors will be giving a test or a worksheet to be completed in class. The merit badge counselor and the North District Advancement Committee will review the content of the answers on the worksheets to determine if credit for the requirements should be granted. If it does not appear that the scout understands the subject matter or have mastered the subject completely, credit will not be granted
11. The following merit badges have rank or age requirements to attend:

i) Camping / Hiking	1 st Class and above. No Exceptions
